**Subject: Request for Early Clearance of the LongPending Proposal for Updating of Pension of RBI Retirees**

**Hon'ble Finance Minister,**

Warm greetings and respectful good wishes for a Happy and Prosperous New Year 2026.

On behalf of the ALL INDIA RBI OERS PENSIONERS' FORUM , which represents a large number of retired employees of the Reserve Bank of India across the country, we wish to submit this earnest request regarding the longpending proposal for improvement and updating of pension for RBI retirees.

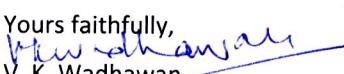

Over the past several months, there have been encouraging indications that the proposal submitted by the Reserve Bank of India has been under active consideration of the Ministry of Finance. Senior officials of the Bank have also conveyed that discussions with the Ministry have been positive and that approval was expected in due course.

As the new year begins, thousands of RBI retirees—many of them in advanced age and dependent solely on pension—continue to wait with hope and anxiety for a favourable decision. The proposed improvement in pension is not merely a financial adjustment; it is a matter that directly affects the dignity, security, and wellbeing of those who devoted their most productive years to the service of the nation's central bank.

In this context, we humbly request your kind personal attention and benevolent consideration for early clearance of the proposal. A timely decision will bring immense relief to retirees and their families, enabling them to meet rising living costs and medical expenses with dignity.

*We remain deeply grateful for your leadership and compassionate approach to matters affecting senior citizens and pensioners. We sincerely hope that your kind intervention will help bring this longawaited relief to the RBI retiree community.*

With respectful regards,

Yours faithfully,  
  
V. K. Wadhawan
