Subject: Submission of Representation on Pension Updating for RBI Retirees –AIRBIOPF

Respected Hon'ble Finance Minister,

Warm greetings and best wishes for a Happy and Prosperous New Year 2026.

On behalf of the AIRBIOPF, which represents retired employees of the Reserve Bank of India across the country, we are pleased to enclose herewith a formal representation requesting early clearance of the **long-pending proposal for updating the pension of RBI retirees**.

As highlighted in the enclosed letter, the matter has been under active consideration for some time, and thousands of retirees—many of them advanced in age and dependent solely on pension—continue to await this long-promised relief with hope and anxiety.

We humbly request your kind attention and benevolent consideration so that the proposal may be accorded early approval, bringing dignity and financial security to those who served the Institution with dedication.

We remain deeply grateful for your leadership and compassionate approach to matters affecting senior citizens and pensioners.

With respectful regards,
Sincerely

V. K. Wadhawan
