

Subject: Request for additional Pension to RBI Pensioners aged 80+

To: prime minister

finance minister

rbi governor

Respected Sir, Madam,

We wish to draw your kind attention to the long-pending demand of RBI pensioners aged 80 years and above for grant of additional progressive pension, in line with the benefits already extended to Central Government pensioners. Despite repeated representations since 2019, including our detailed submission on 19 January 2025, no action has been taken so far except for one acknowledgment. The disparity between RBI retirees and their counterparts in government service is stark, especially for super-senior citizens who face escalating healthcare costs and age-related challenges.

The RBI Pension Fund is financially sound, and the number of eligible retirees is modest. Extending this benefit will have minimal financial impact but immense humanitarian value. We humbly request your urgent intervention to ensure parity and justice for RBI pensioners aged 80 and above.

Yours sincerely,
